

Club to Supporting Member Transfer Form

Thank you for staying connected to our organization by moving from a Zonta club to becoming a Zonta International supporting member (not affiliated with a club or district) and remaining part of our global network committed to securing a world where gender equality is a reality.

Submit to: memberrecords@zonta.org

Member Information:

First Name:	Last Name/Surname:
Email:	*Member ID#:

Supporting members will receive the benefits of Zonta, such as accessing the resources you need to continue as a gender rights advocate (e.g. online toolkits and Zonta publications), while staying apprised on women's issues. In order to arrange this and offer you guidance on the scope of activities you can engage in as an supporting member, please confirm:

I give my consent to Zonta International and the Zonta Foundation for Women to store the personal membership information I have provided by applying for membership and added during my membership years, including photographs taken of me in connection with Zonta activities, on Zonta servers in the USA.

I have notified my club president of this change and acknowledge that as an supporting member I am no longer affiliated with a club or district and may only attend club, area, or district events by invitation of the club president, area director, or governor or if they are open to the public. Supporting members may attend Zonta International hosted events.

I acknowledge that I may affiliate with Zonta on platforms such as social media sites but I am not authorized to utilize the Zonta International name or logo for the purpose of organizing events or programs (e.g. meetings, fundraising, advocacy actions, scholarships) or speak on behalf of Zonta publicly. Should I become interested in engaging in any of these activities under the name of Zonta, I will either do this upon invitation (please see above), seek to join a club or ask Zonta International for guidance.

We want to keep in contact with you and ensure you are up to date with Zonta's work globally and locally. Please check the boxes below to confirm your agreement to the following:

I would like to receive communications from Zonta International.

I give my permission to be included in the Zonta International online member directory.

Note: Please notify your prior club/district if you wish to be removed from their database and contact lists.
